Dear Guest,

We hope you enjoy your stay at this outstanding property. And, we hope you take advantage of **Order Inn®**'s exceptional Room Service and Catering during your visit.

Over the years, the limited-service lodging industry has flourished due to rapidly escalating costs in the full-service sector. Full-service properties; by definition, offer a variety of additional services and amenities not found in limited-service properties. Consequently, they typically charge more for their accommodations.

Most travelers use few of those additional services and prefer not to pay for unused amenities. But, countless business and leisure travelers who have benefits from the cost savings provided by limited-service properties continue to desire the amenities they have come to expect during their travels.

Order Inn®, Inc. is bringing, to limited-service properties, those additional services and amenities YOU chose to enjoy. YOU decide on the service, and YOU pay only for the cost of that service. The choice is yours!

Our mission at **Order Inn®** is to offer YOU the opportunity to choose and pay for only those services and amenities you select, at our participating limited-service properties, nationwide.

Log on to www.OrderInn.com to see the valuable services we are continually adding for your travel convenience.
